### **PROFESSIONAL SUMMARY**

Passionate Software Engineer with solid foundation in full-stack JavaScript development and 1000+ training hours. Committed to delivering high-quality projects on time, I thrive in collaborative, fast-paced environments. With a focus on impactful development and continuous learning, I am ready to bring my technical skills and innovative mindset to a dynamic software team.

### **EDUCATION**

#### **Google IT Support Certificate** | Remote

- Acquired skills in customer service, troubleshooting, IT infrastructure services, IT support, security, and system administration.

#### **General Assembly Software Engineering Immersive** | Remote

- Gained comprehensive knowledge in Agile methodologies, SCRUM, OOP, and full-stack development.

### **TECHNICAL SKILLS**

**Languages:** Javascript, TypeScript, Python, HTML5, CSS

**Frameworks:** React, Django, Django RestFrameworks, Express, Redux, TailwindCSS

**Databases:** MongoDB, PostgreSQL, Firebase

**Tools:** AWS, NodeJS, Mongoose, Git, GitHub, Postman, Bash, Terminal

### **SOFTWARE DEVELOPMENT EXPERIENCE / PROJECTS**

#### **Realty Homes** | <https://github.com/TishShaw/realty-homes-frontend> | November 2023 - January 2024

- Designed full-stack mobile-responsive web app using React, Redux, Django, AWS, PostgreSQL, LeafletJS, Google geolocation api, and voiceflow.ai.
- Successfully integrated a chatbot using React and voiceflow.ai, resulting in a 40% increase in user engagement.

#### **General Assembly Software Engineering Immersive** | Remote | Nov 2021 - Feb 2022

#### **Keita's Beauty** | <https://github.com/TishShaw/keitabeauty-frontend>

- Developed a full-stack e-commerce web application integrating React, Redux, ContextAPI, Django, AWS, Stripe SDK, PostgreSQL, and Bootstrap.
- Implemented Redux for robust state management, optimizing the shopping cart's performance and reliability. Integrated aws3 buckets for file storage and PostgreSQL for database management.

#### **Plant Haven** | <https://github.com/seir-1115-p3-squad6/project3>

- Collaborated closely on a team of 4 to design a full-stack, mobile-responsive web app using React, HTML5, JavaScript, NodeJS, Express, MongoDB, and Mongoose.
- Led the adoption of Scrum methodologies, significantly enhancing team collaboration and project efficiency.

### **PREVIOUS WORK EXPERIENCE**

#### **Halliburton Family Dentistry** | February 2023 - November 2023

##### *Dental Assistant*

Lead dental assistant, actively contributed to the achievement of clinic-specific KPIs, focusing on enhancing system reliability and streamlining dental procedures.

##### **Accomplishments:**

- Assisted in various dental procedures with precision and care, contributing to a 35% increase in successful outcomes and patient retention.
- Implemented and maintained dental systems, increasing clinic efficiency and throughput by 15%.
- Managed inventory and procurement, cutting costs by 10% through efficient resource management.
